Notes to assist with the completion of the *Notice of Marriage* document

1. Please ignore the column headed "No." this will be completed as necessary by the Registrar General.
2. Make sure both the Bride and Groom's names are completed in full under the column "**Christian and Surnames in full**". It is common practice for the Groom's name to be listed first and the Bride's name second.
3. Under the column headed "**Under" or "Above" the age of 21**", simply write "Above" in both cases if you are both over the age of 21.
4. Under the column headed "**Condition. Bachelor, Spinster, Divorced, Widower or Widow**", unless either of you have been divorced or widowed, enter "Bachelor" for the Groom and "Spinster" for the Bride.
5. State your professions under the column headed "**Rank or Profession**".
6. Under the column headed "**Residence**", list both of your addresses (or if you share a place of residence please write the same address twice).
7. Under the columns headed "**Father's Christian name and surname in full**" and "**Father's Profession**", please make sure that this completed for both the Groom and Bride's Fathers.

Either the Bride or Groom will now need to complete the signed declaration at the bottom of the document in the presence of the official witness, either a Registrar, Justice of the Peace, British Consular Official or Notary Public.

The official witness should then sign and stamp the document.

NOTE: Please leave the bottom signature and date declaration (as below) blank; the Registrar General in the Falklands completes this.
